Dear Mr. Manoj,

**Sub: CTC Phase-out Website and DIA Tool**

I am glad to express my complete satisfaction in connection with the development and maintenance of our organization's CTC Phase-out project site ([www.ctc-phaseout.org](http://www.ctc-phaseout.org)) and the DIA Tool by Adan Pradan Trust. I note with pleasure that both these products are performing well. The DIA (database of industry assessment), a web based repository of industry data collected by our consultants across India, fully meets our project requirements and has proved to be very useful to our consultants.

I appreciate your continuous support of our website and congratulate you and your team on the successful completion of these projects.

Yours sincerely

Markus Wypior,  
Project Manager
